What you're covered for

In this section, we explain what insurance benefits you and your motorcycle are covered for within the covered geographical area, and any specific exclusions or conditions that apply to those benefits in addition to the general exclusions.

When your motorcycle is damaged in an accident

You are entitled to the following benefits during the period of insurance.

Loss or damage to your motorcycle

We will compensate you if your motorcycle, including its spare parts and motorcycle accessories, are stolen or damaged:

- in an accident;
- by fire;
- by flash flood;
- by natural disasters; or
- by acts of God such as a fallen tree.

What we pay

We have the option to:

- pay for damage repairs at an FWD premium workshop or a workshop of your choice;
- replace your motorcycle, its accessories or its spare parts; or
- pay in cash the market value of your motorcycle, its accessories or its spare parts that were damaged or stolen, plus the standard market costs to fix those parts and the reasonable transportation cost, including any import duties, to ship those parts to Singapore.

Not covered

We will not pay for any loss or damage to your side car.

Damaged beyond repair or exceeding economical repair limit

We will pay you the market value of your motorcycle if your motorcycle is damaged beyond repair or the cost to repair your motorcycle exceeds its economical repair limit, i.e. the difference between the market value and the scrap value of your motorcycle.

If we do so, we will be entitled to the scrap value of your motorcycle including the residual Certificate of Entitlement ("COE") and Preferential Additional Registration Fee ("PARF"), and you must sign all necessary documents and forms to transfer the ownership of your motorcycle to us or as we direct. The policy will then terminate.

Standard excess of S\$500 will apply when you get your motorcycle repaired at an FWD premium workshop. In the event that you choose to get your motorcycle repaired at a workshop of your choice, your standard excess will be increased to S\$1,000. This standard excess amount can be found in the table of benefits.

If you or the authorised rider is less than 22 years of age at the time of the accident, an additional young rider excess of S\$500 will apply.

Standard excess or young rider excess will not be applicable when the loss or damage is due to fire or theft. However, if your motorcycle is stolen outside of Singapore, you have to pay an amount equal to 50% of the market value of your motorcycle, up to a maximum of S\$2,500.

Replacement parts

We may decide to replace the spare parts of your motorcycle with similar ones which are not supplied by the original motorcycle manufacturer where it is safe to do so.

We will only repair or replace the lost or damaged parts where it's safe, for example one wheel, and not the entire set of wheels where there is no proof of loss or damage to the rest of the wheels.

Emergency assistance

We provide help in the event your motorcycle breaks down or becomes unsafe to ride due to an accident or otherwise. You or the authorised rider must call our emergency assistance hotline at **+65 6322 2072** at any time in order for us to assist you.

If your motorcycle is beyond roadside assistance

If your motorcycle cannot be repaired or restarted at the roadside, we will reimburse the reasonable cost of towing your motorcycle to an FWD premium workshop or a workshop of your choice, up to a limit of S\$50 per claim.

We will also facilitate transportation for you, the authorised rider and/or your passenger to the destination of your choice within the covered geographical area (at your cost).

The services provided under this benefit will not affect your NCD and no excess is payable.

Not covered

- We do not pay for the cost of repairs or replacement of your motorcycle parts if damage is non-accident related.

Towing

We will reimburse you the reasonable cost you pay to tow your motorcycle to an FWD premium workshop or a workshop of your choice, if your motorcycle cannot be safely ridden due to an accident or otherwise that is covered by this policy. You can arrange for the towing of your motorcycle on your own.

Claiming under this benefit will not affect your NCD and no excess is payable.

Safe travel after an accident

We will reimburse the cost of a single trip transporting you or the authorised rider and the passenger of your motorcycle at the time of the accident to your place of choice in Singapore, up to the limit stated in the table of benefits.

Claiming under this benefit will not affect your NCD and no excess is payable.

Extended workmanship guarantee

We offer a guarantee against defective workmanship for up to 24 months if your damaged motorcycle is being repaired at an FWD premium workshop for a benefit covered under this policy.

Not covered

- Deterioration and/or damage resulting from an accident not covered under this policy;
- Deterioration and/or damage caused by other workshops, which is not an FWD premium workshop; or
- Manufacturing defects of the repair parts used.

What you're covered for

When your motorcycle caused harm or damage to others

Third party liability

We will compensate the third party if you, the authorised rider and/or any passenger on your motorcycle are legally liable for an event covered by this policy that causes the:

- death of or bodily injury to a third party; and/or
- loss of or damage to a third party's property, resulting from the use of your motorcycle.

What we pay

We have the option to pay for:

- third party bodily injury, death or property damage claim.

We will pay the amount you are legally liable for as compensation to the third party.

- cost of legal representation and defence for:
 - a third party bodily injury, death or property damage claim;
 - offence of or charge for causing someone's death by riding, for up to S\$3,000.

Under this benefit, we have the option to:

- arrange for legal representation at any judicial or official enquiry;
 - take over the defence in any proceeding for an act or alleged offence relating to an event covered under this benefit; or
 - arrange at your request and pay for the legal defence against a charge of causing death by riding.
- costs and expenses:
 - we will pay for any reasonable costs and expenses in connection with an event that is covered under this benefit of the policy, if you have our written permission beforehand.

Not covered

- We will not pay for any legal defence against a charge for murder.
- We will not cover any claims for death or injury sustained by you or any authorised rider while riding your motorcycle, or damages to your motorcycle and damages to property or belongings owned by you, any authorised rider, your family members or your passengers.

Lifetime NCD guarantee

You are automatically eligible for this benefit if your NCD at the time of purchasing or renewing your motorcycle insurance is 20%.

This benefit guarantees that your 20% NCD is protected regardless of the number of "at fault" claims made against this policy, as long as you remain insured with FWD and continue to hold a valid and active Singapore motorcycle riding license.

This benefit cannot be transferred to another person or insurer and only applies to one motorcycle at any one time, and does not guarantee our acceptance or offer of renewal terms.

Optional protection for your motorcycle

You can increase your cover by adding optional protection for your motorcycle to your policy. Any options you choose are shown in your insurance summary.

Daily transport allowance

If you choose this cover, we will provide you with a daily transport allowance for each full day you are unable to ride your motorcycle, as long as your motorcycle is still undergoing repair in the workshop as a result of the same accident that is covered under the "Loss or damage to your motorcycle" benefit, up to the limit stated in the table of benefits.

Claiming under this benefit will not affect your NCD and no excess is payable.

Overseas booster

If you choose this cover, the applicable benefit limit for towing is increased up to the benefit limit in your insurance summary. In addition, we will reimburse you for any emergency if your motorcycle is stolen or damaged in an accident caused by or resulting from the use of your motorcycle whilst overseas and your motorcycle becomes unsafe to ride.

What we pay

- Economy-class transportation costs to send you, the authorised rider and/or any of your passengers back to Singapore along with any telephone charges incurred for organising the return transportation and towing of your motorcycle back to Singapore.
- Repatriation costs to send the mortal remains of you, the authorised rider and/or any of your passengers back to Singapore along with any funeral expenses incurred.

Claiming under this benefit will not affect your NCD and no excess is payable.

Any authorised rider

You can choose to cover any other person whom you trust to ride your motorcycle as an authorised rider. The authorised rider is covered for the same benefits as you.

Young rider excess waiver

If you choose this benefit, your obligation to pay the additional young rider excess of S\$500 is waived under this policy.

Hospitalisation expenses due to an accident

If you, the authorised rider and/or passenger of your motorcycle are injured solely and directly as a result of an accident while travelling on your motorcycle, we will pay the hospitalisation expenses arising from that accident, subject to the maximum limit of benefit per accident stated in the table of benefits.

Claiming under this benefit only will not affect your NCD and no excess is payable.

No claims discount (NCD)

The premium we charge for this policy is based on your NCD. It is determined by the number of motorcycle insurance claims made for your motorcycle under this or any previous motorcycle insurance policies using the following scale when you renew your policy:

No claims	Your NCD at renewal
One year	10%
Two consecutive years	15%
Three consecutive years	20%

When you have less than 20% NCD in your existing policy and one or more "at fault" claims are made under this policy within the period of insurance, we will reduce your NCD to "0%".

However, if you have 20% NCD in your existing policy, your 20% NCD is protected regardless of the number of "at fault" claims made against this policy for as long as you are insured with FWD.

What you're covered for

Current NCD	Your NCD at renewal
	One or more "at fault" claims:
10%	0%
15%	0%
20%	20%

Renewal premium with unsettled claim

If at renewal, you have made a claim under this policy that has not been assessed yet, we reserve the right to calculate your renewal premium, taking this claim into consideration. Afterward, if we assessed that you or the authorised rider of your motorcycle was not at fault for the accident, we will restore your NCD and refund any extra premium you have paid.

Late reporting reduces your NCD

If you or the authorised rider fail to report an accident to us within 24 hours or by the next working day, we reserve the right to reduce your NCD by an additional 10%. This will apply even if this policy includes the lifetime NCD guarantee.

Your NCD cannot be transferred to another person and only applies to one motorcycle at any one time.

Excess

General description of an excess

An excess is an amount that you have to pay for each eligible claim before we will make any benefit payments.

If we have made any payment under this policy that includes an excess you need to pay, you will have to refund us the excess amount. You are legally responsible for any goods and service tax charged on any excess payable.

Scenarios where an excess is or is not payable are clearly highlighted in this policy. The types of excess that may apply are described below and the amount can be found in your insurance summary.

Standard excess

This amount has been selected and agreed upon by you when you were buying this policy online. It applies to all claims under the "Loss or damage to your motorcycle" benefit.

Young rider excess

This amount applies to all claims under the "Loss or damage to your motorcycle" benefit where the authorised rider (if covered by your policy) is under 22 years old at the time of the accident. This young rider excess is in addition to your standard excess.

General exclusions that apply to your policy

General exclusions

These general exclusions outline scenarios that this policy does not cover, and apply to the whole policy unless stated otherwise.

We will not pay for claims arising in relation to, or that are directly or indirectly caused by or result from the following:

- depreciation (including as a result of an accident), wear, tear and mechanical, electrical and/or structural breakdowns;
- damage to tyres or rims, unless other parts of the motorcycle were also damaged by an accident covered by this policy;
- any loss or damage whilst your motorcycle is being used for any rental or leasing purposes;
- any loss, damage or consequential loss caused by factors beyond our control such as unavailability of motorcycle parts;
- any losses caused by damage to or loss of your motorcycle's software or software data;
- any loss or damage due to the failure or negligence to take reasonable and necessary precautions to protect property and minimise claims under this policy such as failing to follow any manufacturer's recall;
- loss or damage caused by the lawful repossession or seizure of your motorcycle;
- loss or damage caused by war or other acts of foreign enemy (whether war is declared or not), pollution by chemical, biological, nuclear or radioactive agents or any act of terrorism, regardless if any other cause or event contributes concurrently or in any other sequence to the loss;
 - an act of terrorism means an act, including but not limited to the use of force or violence and/or the threat of force and violence, by any person or group of persons, whether acting alone or on behalf or in connection with any organisation or government committed for political, religious, ideological or similar purposes including the intention to influence any government and/or to put the public or any section of the public in fear.
- your motorcycle is not in a roadworthy condition, or is modified without approval from LTA and us;
- you or your authorised rider riding without a valid license;
- you or your authorised rider riding whilst under suspension from riding;
- you or your authorised rider riding whilst under the influence of drugs and/or alcohol;
- your motorcycle is being used in preparation or participation for any motor competition, track day, any form of race and speed testing;
- riding with more passengers or load than your motorcycle is licensed for; and
- intentional self-injury, attempted suicide or suicide.

In addition to the general exclusions above, we may also set out, throughout this policy, any specific exclusions and conditions where they apply to a certain policy benefit.

We reserve the right to lodge a report with the Singapore police or foreign authorities if you or your authorised rider submit a dishonest, intentionally exaggerated or fraudulent claim.

Tell us within 14 days

Claims need to be made within 14 days from the day the accident happened.

Cooperate with us

You and your authorised rider need to provide us with any information and help that we need to process your claim, even after we have already paid your claim. Things to know

Costs of preparing your claim

We are not responsible for any of the costs of filling-in any form or getting any documents, such as death or other certificates.

How we pay property claims

We pay all property claims based on the value of the items at the time of loss or damage. This means you may not get back the full purchase price. If we assess an item as being beyond repair and pay for its replacement, the damaged item becomes our property. You must keep any damaged property and send it to us if we ask for it. You will need to pay for any postage or transportation cost.

Financing agreements

If we are informed that your motorcycle is under a financing agreement such as hire-purchase, leasing or loan, and we decide to settle a claim under the “Loss or damage to your motorcycle” benefit by paying in cash, we will make the payment to the owner as named in that financing agreement.

The information you give us needs to be correct and complete

Read all parts of your policy to make sure they are correct and complete

Your policy is based on the information you gave us during the application process. For the information to be correct and complete, you need to tell us:

that is relevant to our decision to insure you.

If we later find out that any information is inaccurate, misleading, or exaggerated, we may do any of the following:

This is a Singapore insurance contract

All amounts payable by you or us in relation to this policy will be in Singapore dollars. We will convert any eligible expenses you incur overseas into Singapore dollars at a reasonable foreign currency exchange rate that we choose. We are not legally responsible for any exchange rate-related losses that you may incur.

No benefits are paid if they are illegal

We will not pay any benefit under this policy if paying that benefit is illegal in Singapore under its economic and trade sanctions.

Assignment

You may assign your rights, benefits and claims under this policy to another person, only if we agree to it in writing.

Dishonest, exaggerated, fraudulent claims

We may report you to the Singapore police or foreign authorities if we determine that you have submitted a dishonest, intentionally exaggerated, or fraudulent claim. If this happens, you must pay us any amount that we have paid to you (or to another party) under this policy, and that would not have been paid but for the dishonest, intentionally exaggerated, or fraudulent claim.

No rights for others under the policy

You and we are the only parties to your policy. Any person who is not a party to this policy has no rights under the Contracts (Rights of Third Parties) Act 2001 to enforce any of its terms.
