## Protecting your stuff

Your policy provides benefits that protect your belongings during your trip.

### Baggage delay

We will pay this benefit if you have checked-in baggage that:

- is delayed, misdirected, or temporarily misplaced by any public transport provider; and
- reaches 6 continuous hours or more after you arrive at your scheduled destination (including your final return to Singapore).

### What we pay

- We will pay you for each 6-hour period that your checked-in baggage is delayed while you are overseas.
- If the delay happens while returning to Singapore, we will only pay for the first 6-hour period of delay, regardless of whether your checked-in baggage was delayed overseas.
- We calculate the length of the delay by counting the number of hours between your original scheduled arrival time and the actual arrival time of your baggage.

### What you should know

We pay this benefit on a per claim basis, not per piece of baggage.

We will only pay one person for the benefit even if there are multiple persons sharing the same baggage.

You also need to provide us with written proof of the baggage delay from the public transport provider or their handling agents stating your name, date, time (including delayed duration) and the reason for the baggage delay.

### Theft of or damage to baggage or personal belongings

We will pay this benefit, if during your trip, your:

- baggage or personal belongings are stolen or accidentally damaged; or
- baggage is lost while in the custody and care of any airline operator.

### How we decide how much to pay

- We will not pay more than the original purchase price and will decide whether to replace, repair, or pay a cash amount for the stolen or damaged items.
- We may treat a damaged item as beyond repair. If we do so, we will treat it as lost and we will become the owner of that item.
- We will treat items that are a pair or a set as one item for the purpose of this benefit, and only one amount will be payable for the pair or set.
- We will use the table below as a guide for determining the items' fair value.

Covered item	How much we pay with proof of purchase	How much we pay without proof of purchase

We pay all property claims by applying depreciation based on the proof of purchase. If proof of purchase is not available, we will pay the current market value of the item as determined by us, up to S\$50 per item and up to a maximum of 5 items. This means you may not get back the full purchase price. If we assess an item as being beyond repair and pay for its replacement, the damaged item becomes our property. You must keep any damaged property and send it to us if we ask for it. You will need to pay for any postage or transportation cost.

### **We only pay reasonable and customary costs**

Where we pay for items and services for you or under a benefit, we will only pay the amount that we believe is reasonable and customary for that item or service.

Any penalty charges incurred that would not have been imposed had you notified the travel agent, tour operator, transport or accommodation provider and us within the specified period in the event of a claim will not be covered.

### **If you have more than one travel policy with FWD**

If you have more than one policy with us that covers the same benefit, you will only be able to claim benefits from one policy. If the benefit amounts are different under your different policies, we will pay the highest benefit amount.
