What you're covered for

In this section, we explain what insurance benefits you and your car are covered for within the covered geographical area, and any specific exclusions or conditions that apply to those benefits in addition to the general exclusions.

When your car is damaged

You are entitled to the following benefits during the period of insurance.

Any driver you trust to drive your car

We will automatically insure your authorised driver whilst this person drives your car on the same basis that we insure you, i.e. the same conditions and responsibilities that apply to you will apply to the authorised driver too, unless stated otherwise.

Loss or damage to your car due to fire or theft

We will compensate you if your car is accidentally damaged by fire or stolen.

What we pay

We have the option to:

- pay for damage repairs at an FWD premium workshop;
- replace your car; or
- pay in cash the market value of your car, the value of the part of your car that was damaged or stolen, plus the standard market costs to fix those parts and the reasonable transportation cost, including any import duties, to ship those parts to Singapore.

We may decide to replace the parts of your car with similar ones which are not supplied by the original car manufacturer where it is safe to do so.

Damaged beyond repair or exceeding economical repair limit

We will pay you the market value of your car if your car is damaged beyond repair or the cost to repair your car exceeds its economical repair limit, i.e. the difference between the market value and the scrap value of your car.

If we do so, we will be entitled to the scrap value of your car including the residual Certificate of Entitlement ("COE") and Preferential Additional Registration Fee ("PARF"), and you must sign all necessary documents and forms to transfer the ownership of your car to us or as we direct. The policy will then terminate.

Emergency assistance

We provide help in the event your car breaks down or becomes unsafe to drive due to an accident or otherwise. You or the authorised driver must call our emergency assistance hotline at **+65 6322 2072** at any time in order for us to assist you.

What we will do

If we decide it is best to send a breakdown specialist to help you, we will pay the reasonable cost for them to help you with the following services:

- jumpstart your car;
- towing;
- replacement of flat tyre using your spare tyre;
- petrol top-up; and/or
- battery replacement.

If your car is beyond roadside assistance

If your car cannot be repaired or restarted at the roadside, our breakdown specialist will arrange for it to be towed to an FWD premium workshop or a workshop of your choice.

What you will pay

If your car requires the breakdown specialist to provide any replacement parts (such as a battery or tyre) and/or petrol top-up in order to restart your car, you will have to pay the breakdown specialist directly for the costs of such replacement parts and/or petrol top-up.

The services provided under this benefit will not affect your no claims discount (NCD) and no excess is payable.

Not covered

- We do not pay for the cost of repairs or replacement of your car parts if damage is non-accident related.

What you're covered for

Towing

We will reimburse you the reasonable cost you pay to tow your car to an FWD premium workshop or a workshop of your choice, if your car cannot be safely driven due to an accident or otherwise that is covered by this policy. You can arrange for the towing of your car on your own.

Claiming under this benefit will not affect your NCD and no excess is payable.

Car repairs at FWD premium workshops

All repairs including replacement of your car parts resulting from any damage covered under this policy must be carried out by an FWD premium workshop.

Extended workmanship guarantee

We offer a guarantee against defective workmanship if your damaged car is being repaired at any FWD premium workshop for a benefit covered under this policy, until your car reaches 10 years of age from the original registration date.

Not covered

- Deterioration and/or damage resulting from an accident not covered under this policy;
- Deterioration and/or damage caused by other workshops, which is not an FWD premium workshop; or
- Manufacturing defects of the repair parts used.

New car replacement

We will replace your car with a new car of the same make, model and specification that is available in Singapore, if we assess that your car which is less than 12 months old, is permanently lost, damaged beyond repair by fire, or the cost to repair your car exceeds its economical repair limit as determined by us.

We will only do so if you are the first registered owner of your car.

When your car caused harm or damage to others

Third party liability

We will compensate the third party if you, the authorised driver and/or any passengers in your car are legally liable for an event covered by this policy that causes the:

- death of or bodily injury to a third party; and/or
- loss of or damage to a third party's property, resulting from the use of your car.

What we pay

We have the option to pay for:

- third party bodily injury, death or property damage claim.

We will pay the amount you are legally liable for as compensation to the third party.

- cost of legal representation and defence for:
 - a third party bodily injury, death or property damage claim;
 - offence of or charge for causing someone's death by driving, for up to S\$3,000.

Under this benefit, we have the option to:

- arrange for legal representation at any judicial or official enquiry;
 - take over the defence in any proceeding for an act or alleged offence relating to an event covered under this benefit; or
 - arrange at your request and pay for the legal defence against a charge of causing death by driving.
- costs and expenses:
 - we will pay for any reasonable costs and expenses in connection with an event that is covered under this benefit of the policy, if you have our written permission beforehand.

Not covered

- We will not cover any claims for death or injury sustained by you or any authorised driver while driving your car, or damages to your car and damages to property or belongings owned by you, any authorised driver, your family members or your passengers.

No claims discount (NCD)

The premium we charge for this policy is based on your NCD. It is determined by the number of car insurance claims made for your car under this or any previous car insurance policies using the following scale when you renew your policy:

No claims	Your NCD at renewal
One year	10%
Two consecutive years	20%
Three consecutive years	30%
Four consecutive years	40%
Five or more consecutive years	50%

If one or more “at fault” claims are made under this policy, we will reduce your NCD using the following scale when you renew your policy:

Current NCD	Your NCD at renewal	
	One “at fault” claim:	Two or more “at fault” claims:
10%	0%	0%
20%	0%	0%
30%	0%	0%
40%	10%	0%

Renewal premium with unsettled claim

If at renewal, you have made a claim under this policy that has not been assessed yet, we reserve the right to calculate your renewal premium, taking this claim into consideration. Afterward, if we assessed that you or your authorised driver was not at fault for the accident, we will restore your NCD and refund any extra premium you have paid.

Late reporting reduces your NCD

If you or the authorised driver fail to report an accident to us within 24 hours or by the next working day, we reserve the right to reduce your NCD by an additional 10%.

Your NCD cannot be transferred to another person and only applies to one car at any one time.

General exclusions that apply to your policy

General exclusions

These general exclusions outline scenarios that this policy does not cover, and apply to the whole policy unless stated otherwise.

We will not pay for claims arising in relation to, or that are directly or indirectly caused by or result from the following:

- damage to tyres or rims, unless other parts of the car were also damaged by an accident covered by this policy;

- loss or damage caused by war or other acts of foreign enemy (whether war is declared or not), pollution by chemical, biological, nuclear or radioactive agents or any act of terrorism, regardless if any other cause or event contributes concurrently or in any other sequence to the loss;
 - an act of terrorism means an act, including but not limited to the use of force or violence and/or the threat of force and violence, by any person or group of persons, whether acting alone or on behalf or in connection with any organisation or government committed for political, religious, ideological or similar purposes including the intention to influence any government and/or to put the public or any section of the public in fear.

Making a claim

Things to know

Costs of preparing your claim

We are not responsible for any of the costs of filling-in any form or getting any documents, such as death or other certificates.

How we pay property claims

We pay all property claims based on the value of the items at the time of loss or damage. This means you may not get back the full purchase price. If we assess an item as being beyond repair and pay for its replacement, the damaged item becomes our property. You must keep any damaged property and send it to us if we ask for it. You will need to pay for any postage or transportation cost.

Financing agreements

If we are informed that your car is under a financing agreement such as hire-purchase, leasing or loan, and we decide to settle a claim under the “Loss or damage to your car due to fire or theft” benefit by paying in cash, we will make the payment to the owner as named in that financing agreement.

Dishonest, exaggerated, fraudulent claims

We may report you to the Singapore police or foreign authorities if we determine that you have submitted a dishonest, intentionally exaggerated, or fraudulent claim. If this happens, you must pay us any amount that we have paid to you (or to another party) under this policy, and that would not have been paid but for the dishonest, intentionally exaggerated, or fraudulent claim.
